## Outokumpu Directions to Shepcote Lane

### By Air

Access to Sheffield from Manchester, Leeds/Bradford and East Midlands airports is easy by either road or rail. Alternatively, travel by road or rail can be arranged without difficulty from all international airports in the UK.

### By Train

Sheffield is served by regular trains from all over the UK. Alternatively, Doncaster station on the electrified rail network, which provides high speed trains to and from London, can be used. Sheffield can then be easily reached by local train or car (via M18 and M1).
